

CALLING ALL TEENS:

Visit Washington, D.C., this summer for **FREE!**

Attention all area high school students whose parents or guardians are members of H-D Electric:

An all-expenses-paid opportunity of a lifetime to Washington, D.C., is happening this year on **June 17-23**.

What makes electric cooperatives different from other utilities is that “giving something back to the community” is part of their business plan. So, why do electric cooperatives bring high school students to Washington? Because they’re committed to giving our next generation of community leaders the political insight and hands-on leadership experience they need to flourish. The student who wins this trip will return from D.C. as a stronger leader, and well-equipped to make a difference.

The Rural Electric Youth Tour has brought high school students to Washington, D.C., every June since the late 1950s. Students compete for this unique opportunity and are selected for this program by their local electric cooperative.

If you want to be part of the fun...

Complete the Rural Electric Youth Tour to Washington, D.C., application form on the back of this sheet and submit the completed application to H-D Electric Cooperative before **March 17, 2023**.

How the participant is chosen...

H-D Electric Cooperative’s Selection Committee will review and evaluate all applications received. Students may be asked to participate in an interview. The committee will select one student to represent H-D Electric Cooperative at this year’s event.

The featured speakers during National Youth Day provide insight to the important roles electric cooperatives play in their community. Students gain a personal understanding of American history and their role as a citizen by meeting their representative and senators and explore the sights around the nation’s capitol.

During the trip, you’ll see tons of sites, meet teens from across the country and gain perspective on community and cooperatives! So – what are you waiting for? Apply today!
